Frontier Services Fundraiser Thanks

A thank you letter and Certificate of Appreciation (attached) has been received from the National Events Coordinator, Celeste Ambalong for our support.

"Your support ensures our Bush Chaplains and Outback Links volunteers can be there to lend a helping hand to people doing it tough in rural and remote Australia, including Aussie Farmers battling through the drought.

Visiting farmers on their properties, Bush Chaplains are often the first to identify when someone's in need of support. They lend a listening ear and can refer them on to other services as appropriate.

Outback Links volunteers give their time and lend their skills so farmers get practical support when it's needed. This can be anything from making repairs on vehicles and mending fences, to looking after the animals and providing much needed respite for farmers.

As Australia's oldest bush charity, founded by Rev Dr John Flynn, we've been standing with Aussie Farmers for over 108 years. We believe it's all about giving a hand up, not a hand out. It's what mateship's all about."
